Charity yard sale

We have been left with a lot to clear from the building. Have your chance to take home books, toys, outdoor equipment, furniture and a range of 'odds and ends', in return for a donation with all proceeds going towards the new development.

Back to school

We are embarking on an exciting project to develop an inspirational new museum and maritime archaeology centre on the former Yarmouth Primary School site. Join us as we depart on our voyage, develop plans and permissions, conduct surveys, hold temporary exhibitions and much more.
